Dear Eighth-Grade Applicants and Parents:

We, the Catholic High Schools of Toledo, are happy that you are considering attending one of our schools next year. We feel that we have programs to offer which are strong and which offer you a well-rounded education. Together we will help you find the best school for you within our network of schools.

The decision as to which school you would like to attend is up to you. Our common admission policy is to help you attend the school that you indicate as your first-choice. Should the school of your first-choice not be able to accept you, or should you be placed on a waiting list, a copy of this application will be forwarded to the second-choice high school.

An important part of our admission program is to have some information from you and from your school about your background. Please fill out this form and at the top of this page indicate to which high school you wish your application sent. Your teacher is asked to fill out the evaluation section for you and to send the form to the school indicated. Most of our testing and admission processing is done in the winter months, and we may have filled our classes by early spring, depending on enrollment trends.

On the day of the placement examination you should go (if at all possible) to the school of your first-choice to take the examination. On the test you will be asked to indicate your first-choice as well as your second-choice if there is one. The schools indicated will then receive copies of your scores. On the day designated for sending out acceptance letters, you will only receive a letter of acceptance from your first-choice school unless your first-choice school is unable to accept you. In that case, you will receive a letter from the school you indicate as second-choice, if that school is able to accept you. However, in any event, a school must have a copy of this form and your test scores to make a decision.

It is our hope that the above procedure aids you in finding the best school for you. Should you have any questions about our admission policy, please feel free to call us.

Sincerely yours in Christ,
