WEEKLY SPORTS IN REVIEW

WEEK OF MAY 5 -11, 2014

CREW:

St. Mary's Regatta

Ahh yes, on this past Saturday Coach Pete Fox and his ladies of the SUA long boats journeyed north to West Bloomfield and Orchard Lake for the St. Mary's Regatta. This beautiful, pristine venue, on this day, was cast against a brooding assemblage of storm clouds painted hard against a slate gray canvass. The wind came and went, in breezes and roars, sometimes as subtle as an air kiss, and other times like a caldron to the kisser. Thus, the stage was set for a day more resembling the Three Faces of Eve.

Our girls, as game a group of troupers as you will find in the Crew game, never whimpered or cried aloud. Straight ahead they went preparing themselves to go and do battle against all comers, including the elements. And battle they did.

First up our HS Junior 4+ race. Our entry, with Hope Moore at the stroke, came out like their hair was on fire. They battled to a Silver medal. The boat, consisting of Bisan Ashab at Coxswain, Hope Moore at the stroke seat, Sophie Perlini, McKenzie Hitch and Christine Long is peeking right before the Midwest Regionals!

Also in this race, and performing admirably was our other entry consisting of Audrey Bodie in the stroke seat, Alli Studtmann at coxswain, Carillon Young and Sarah Byers. This boat too is rounding into shape!

Next up was HS the Novice 8+ with Marisa Rudolph at the stroke seat. The boat, consisting of Jamie Thees at coxswain, Rudolph, Kate Burzynski, Shelby Mullens, Molly Wheeler, Emily Gilbert, Lizzie Ahl, Elle Kanjuparamban and Hana Chung battled strong winds to pull out a clutch Bronze medal finish. You're looking good young guns!!

Our Novice 4+ a boat, manned by Marisa Rudolph in the Stroke seat, with Lexie Trestan, Rudolph, Molly Wheeler, Emily Gilbert and Hana Chung cruised to a nice 4th place finish.

In their race, the SUA Women's HS Novice 4+ B boat consisting of Shelby Mullens in the Stroke, Alyssa Brown as coxswain, Mullens, Kate Burzynski, Elle, Kanjuparamban and Lizzie Ahl stroked their way to a fine Bronze medal!

Then mother nature, in true bi-polar fashion unleashed mayhem on the day, whipping up white caps on the lake rendering it useless for rowing

and anything else, save fish.

The event showclosing races, the Women's Junior 8+ race and the Women's Varsity 8+ race were cancelled to the elements. Our killer arrows did not get a chance to shine today, but they will next week!

Next week it is on to the MIDWEST REGIONALS to determine who goes on to the Nationals!

We'll be there to WIN!!

Go Arrows!!!

SOFTBALL:

The SUA softball program had a very exciting week, First I would like to congratulate Senior Mary Kate Richberg for being selected as BCSN's Spring All Around Sport Athlete for Softball. Mary is a 4 year starting varsity letter man , she is hitting .435 this year with 15 RBI and a home run. Mary has played 4 positions on defense this year she has played 1st, 3rd, SS and C. Mary will be attending Niagara College this fall where she will continue her softball career . The interview and commercials will start airing this week on BCSN. Nice job Mary Kate very well deserved. Varsity team had a strong week going 3 and 1 , starting on Tuesday with a win at Cardinal Stritch 10 to 0 lead by the strong pitching of Emily Uhlman throwing a no hitter and striking out 10. Kirsten Webb lead the offense by going 3 for 4 . On Wed we traveled to CCHS where we left with a 9 to 4 win lead by the timely hitting of juniors Mary Eilert ,Casey Vandepol ,and some solid defense by the entire team. On Friday we capped off the week by beating Fremont Ross 10 to 5 in our first Strike Out Cancer Awareness Game . We sold t-shirts and sold 50/50 tickets and all the proceeds will go to Cancer research, T-Shirts still available for \$20 a shirt, anyone interested in buying T-shirts please see Seniors Caroline Lewandowski or Hannah Heffernan.I want to thank Mrs.Susan DeNies for throwing out the ceremonial first pitch.

Junior Varsity also had a strong week by going 2 and 1 with a great game at Cardinal Stritch where they won 22 to 7 lead by great hitting from the whole team and solid pitching by Maddie Kinney. On Thursday JV team beat league opponent Fremont Ross 17 to 3 by a solid effort in the circle by Maddie Kinney, timely hitting by Abby Webber and Maggie Stebli, Erin Davis flashed some leather at 2nd base playing great defense. Both teams have a very busy week. Whitmer on Monday, Clay on Wednesday, Findley Thursday, and NDA on Friday. Varsity is away all week and JV is at SUA please come out and support the softball program - GO ARROWS!
