February 4, 2021

Dear SUA Families,

As reported in yesterday's Parent Newsletter, we are excited to be a part of the Ohio Department of Health Phase 1B COVID-19 Vaccination Distribution Plan, which includes K-12 educators and adults working with students. We have more than 82% of our faculty and staff who will be receiving the vaccine. Today we learned that vaccines will be distributed on the following dates:

- Dose 1: Friday, February 12
- Dose 2: Friday, March 5

Given the amount of faculty and staff who have committed to receive the vaccination, SUA will be closed on those dates. There will not be any classes and SUA's building will be closed for business.

We are grateful for this opportunity to provide another layer of safety as SUA continues to educate our Arrows in person.

Soli Deo Gloria,

Nichole
